

Professional Qualifications:

Terry M. Keen

Sr. Career Consultant

Terry's professional background includes 30+ years of Human Resources experience in the military, the public sector and the private sector. His experience covers all aspects of human resources including staffing/recruiting, talent management, training, employee relations, and labor relations.

Prior to joining Career Partners International Terry was employed as a Regional Human Resources Manager for Penske Truck Leasing. He served in this position for 25 years where managed all of the Human Resources activity for over 125 locations throughout the Midwest. Additionally, he was employed by the State of Missouri and St. Louis County Government in both Human Resources and Safety related positions, as well as serving in the United States Air Force as a Human Resources Specialist.

Terry has a Master's Degree in Management from Webster University, a Bachelor's degree from St. Louis University, and an Associate of Applied Science degree from the Community College of the Air Force.

Terry's comprehensive experience in talent management, recruitment, organizational planning, and compensation/benefits gives him a solid understanding of the variables so fundamentally necessary to a successful job search. His strong HR background and outgoing personality enables him to effectively mentor and assist candidates throughout each phase of their career transition process.

Terry and his family live in the O'Fallon, Missouri area.
