

## **Professional Qualifications:**

### **Callie Wakefield**

#### ***Client Services Coordinator***

Callie's professional background includes experience as a recruiter in the temporary staffing industry and she also served as an Executive Administrative Assistant and Inside Sales Rep in the medical device industry. She makes it her job to ensure the highest level of customer satisfaction and strives to give each client the individual attention they deserve.

Callie displays a positive approach when assisting her clients and understands the importance of providing good customer service and excellent follow through on every assignment or project she is involved with for CPI.

She is dedicated to providing each client a quick response to their needs and is committed to going the extra mile to ensure her clients receive the best possible service and attention in order to maximize their experience with Career Partners International – St. Louis.

Callie resides in the St. Louis area.
